

EC Housecomm

10/23/13

Everyone is here.

Announcements:

Housemasters:

- On Saturday at 5pm in Talbot, there will be cider and cookies for you and your families to meet the housemasters. They'd love to meet your parents.
- 5W and 2E are recruiting GRTs and will be talking to the housemasters about the GRT recruitment process.

Eddie:

- To Gamecomm, about the pool table, Joe has been asking questions about it, and wants to know why it is here and why it's still sideways. Joe has suggested turning the old bike room into a game room. Gamecomm seems excited about this possibility.
 - Rudy is given a round of applause for being the best Gamecomm in the history of Gamecomm.
- Joe wants us to have JoeGcomm. We will have 1 hall chair from every hall, and the hall chair should bring one freshman from that hall. This will allow us and him to have a much more understanding relationship. Eddie will email out to the hall chairs with more information about scheduling this. Joe said he would provide food for these events.

AlumniComm:

- Alumni FAC is Friday at 5pm. It's going to go on longer than a regular FAC, you should come meet awesome alums. Food will be Wings over Somerville, and a vegetarian option.

Kelly:

- On Saturday, EC and SH are having a fall festival: Senior Haus is having a huge party and we're having a Haunted House in the basement and fall things in the courtyard.
- Help needed for the Haunted House: we need help decorating, and people to dress up and scare people in the haunted house. If you're interested, contact Kirsten or wait for Phoebe's email about more FallComm stuff.
- Last year we wrote a letter of our community values and sent it to the administration. We've been working with Don Camelio to expand that into a document to be our overarching community statement. Coming soon, we'll be talking about this document and we'd appreciate your input and feedback.

Other shameless plugs:

- Pumpkin drop is happening this weekend. 11pm Saturday at the Green Building, watch pumpkins get dropped by 1W.
- Spooky Skate is on Friday at the ice rink.
- Medlinks now has a residential director system and Emma Frank is the residential director. She's organizing a meet-your-medlinks event to which the housemasters are donating nice food. Date and time coming soon. Emma is the "Medlink RLAD"
