

# EC HouseComm 2016-04-27

1W isn't here. Oh wait never mind, they showed up late.

## **EC Flea Market - ThriftComm**

EC Flea Market is happening next Saturday, May 7th, 1-4p. It's also some MIT moving day celebration, unclear if this will be a problem. No one seems to care. There was an e-mail. Fill out the form there if you want to do things.

## **Early Returns - Rush Chairs**

There was an e-mail and a form. The early return dates are August 25th and August 27th. If you get an early return, you're expected to help out. You don't need one if you've got on-campus housing for the summer - you'll be able to move in earlier in August. If you can get an early return from a student group, then rush gets more helpers. The regular move-in date is September 3rd.

We need to get numbers for early returns we want by May 6th. We'll get information about how many we get by the 9th. So if you want an early return, fill out that form before the 6th.

## **EcoComm - Trash2Treasure**

There is a program that UA Sustainability does called Trash2Treasure where they take your stuff and resell it in August or September. They need volunteers and they need people to give them stuff. If you have stuff you don't want, you can bring it down to Talbot where there will be drop-off areas, probably during finals week. If there is a lot of interest for this, Trash2Treasure will need help moving things. They will probably compensate you if you help where needed.

## **Budget Proposal for Party Food - Lily**

We want \$700 total, broken down into \$50 on drinks, \$250 on burgers, \$400 on pizza. The party will be on Thursday of the last week of classes, May 12. Will there be vegan pizza?

This budget is seconded and got a unanimous "yes" vote from all halls.

## **DormCon Updates**

astanton is one of the new housing chairs. She takes care of cross-campus dorm security, gender-including housing, changes to facilities, dorm storage, and communicating feelings about the new dorm to administration. If you have feelings, talk to her!

raviles and Piper are new risk management chairs. They take care of stuff concerning alcohol, drugs, party registration, EHS safety proposals, PartySafe training, the Good

Samaritan policies, and bystander intervention. If you have feelings about these things, talk to them!

The title of "housemaster" is now changing to "Head of House." This was decided by undergraduate and graduate Head of Houses with input from faculty, students, and staff. This will be changing on the DSL pages.
