

## Housecomm 2/8/17

Attendance: 1E, 2E, 3E, 4E, 5E, 1W, 2W, 3W, 4W, 5W

We (astanton, hshackle, schin19, yanisa) are (number one) **new exec**

**CPW:** theme is prom, submit event ideas by Friday!

**EcoComm:** Recycling updates, check your email from Stephanie! Recycling bins are now lined with clear bags, updates being rolled out.

**New House:** NH's housing lottery forms closed today at noon. We will hear their results on Feb 24th, after that we can work to place people. It's unlikely that we're getting large group (La Casa most likely going to Macgregor, French House staying in NH). If you have questions, ask Allie after housecomm.

### **Talbot Mural Policy:** ([here](#))

dclavijo thinks it's too much to have unanimous vote on murals (should be  $\frac{2}{3}$ ). Discussion occurs on how Talbot is a public space used by people outside of EC. More discussion over if voting is for approval of quality of mural, or if it offends. Decided vote is for if we think it's a good mural, there are other measures of voicing concern about offensiveness stated in the policy. Apparently our constitution/bylaws are inconsistent in terms of number of halls needed for general approval ( $\frac{2}{3}$  of halls, or 7/10 halls, or 6/10 halls).

It is decided that **7/10 halls' votes** are needed to approve policy today at housecomm and murals in the future. **Talbot Mural Policy Approved Unanimously!**
