Food on the East Side

Look out for an email from Yanisa if you want to be a part of a focus group on new food space at Pritchett Dining. Will meet with Naomi Carton sometime in the next two weeks.

Drug and Alcohol Screening Recap

Exec got 56 forms back, we gave away 56 water bottles, so probably had an attendance of a bit over 56. People generally had neutral to positive reviews. Conversation areas could've been more private. Set-up could be a bit better.

Constitution Committee feedback

Reps from five halls met. Allie will go through working doc and ask for comments:

Constitution:

1. Recognize house team as "associate member".
2. Define constitution vs. bylaws vs. code of regulations. Restructure where rules go, etc.
3. Amending constitution and bylaws: usually needs 7/10 halls. Adding provision to president to force it to referendum. This provision can then be overridden by 7/10 halls.
4. Bar for referendum as $\frac{2}{3}$, unless housecomm votes 7/10 to make it $\frac{1}{2}$

Bylaws:

1. Adding membership section, voting delegates are up to 3 ppl, usually hall chairs or proxies
2. Duties of voting delegates: halls have to send at least one rep to housecomm. Halls will be fined if halls don't come 3 times.

Allie will send out documents for more comments.
