### **Dean Randall Q&A Feedback**

Last housecomm, Dean Randall came. Thoughts?

- There were not that many questions, didn't gain much out of it
- Could've been separate from housecomm
- Probs valuable to him in that it was housecomm

**Tessa McLain, new head of office of student conduct, is coming November 14th, 6:30-7:30pm. Stay tuned for more info.**

### **Walker Cafe**

Food-centric events happening in Walker, some dates in Nov and Dec. Would EC like it's own food-centric event, sponsored by Rebecca's Cafe? Will send out more details.

### **SH Mural Review Committee**

Allie is on it and she's going rogue. The committee is discussing what to do with SH murals, scope has morphed to what is the future of murals at MIT, especially during renovations. Allie wants to collect pictures of murals to show the committee. Hall chairs, please send picture of cool hall murals (maybe with story, artist?). Suzy says if EC is renovated, she would want to keep it a mural-dorm.

### **Wood area in basement**

Basement area is a disaster, JoeG is sad, EHS thinks it's very unsafe. This space is relatively-new, everything is a huge pile of sawdust. Even after putting in tables and cleaning up hella, it became a disaster again within a few weeks. It shouldn't be toolcomm's job to clean. JoeG suggested making a cleaning paid position. Putting up signs? Getting rid of space?

Interest in continuing to have this space in a way that doesn't make JoeG/EHS sad.

**Pool balls have been stolen D:**

Like all of them, at once. 3 sets. Gamecomm is sad and looking for them.

**December 5th is EC pres/vp elections**
