

Attendance! Everyone is here

RUSH chair elections

- You run EC rush. It's a big job, especially in August
- Not enough nominations! So we're delaying this election to two weeks from now! Yay!

Let's try CPW chair elections

- Like baby rush chairs. Get people to run interesting events. You have to sell your Pax East ticket if you're cpw chair. One run to costco daily at least
- Up late
- It's also cool!
- Also postponed. Time to do some intense reaching out!

Question:

- Are CPW/REX chair positions available for freshmen?
 - Not recommended to have majority-freshmen chairs.

Comms:

- <http://ec.mit.edu/government>
- Comms that can dissipate:
 - Suddscomm has been automated :(everybody welcome fully automated luxury communism
 - Bike Comm? Dining Comm? EC Historian? Eco Comm? Game Comm? Piano Comm? Sewing comm? Sudds Comm? Talbot Comm? Thrift Comm? Tool Comm? Weight-room Comm? Alumni Comm?
 - Merge Alumni Comm and EC Historian?
 - Why don't we keep Sewing Comm machines in a public space?
 - Because they're nice things :(
 - Sewing Comm: there should be a point person for this.
 - Tool Comm incorporates Sewing Comm?
 - Weight Room Comm?
 - Bike Comm?
 - Merge Eco-Comm and Thrift Comm?
 - Talbot Comm --> SocComm?
 - Purge Comm = EC Exec
 - Creation and Destruction Day = Comm Elections
 - More Luxury Communism? Can we automate more comms?
 - Dining Comm? = NomComm at EC Level, but has sort of been taken on by generous House Team
 - CASE emails need to be redirected --> ThriftComm
- To be deleted/merged:
 - SuddsComm ✓
 - TalbotComm ✓
 - Alumni Comm + EC Historian ✓
 - Eco Comm + Thrift Comm + CASE emails ✓
 - Piano Comm + Game Comm (NO)
 - Dining Comm ✓
 - Bike Comm (NO)

- Should we document phased out comms?
 - Yep
- Should there be a formal distinction between Comms and "roles"?
 - "Roles" = a service that needs to be done once and only once

Proposal:

- A dearth of academic advice in EC, other social networks provide socialized academic/professional advice: eg. muslim students association, BSU, frats/sororities
- Google form for names/interests/majors/opportunities

- Halls could do it?
- AlumniComm?
- Alexandria could own it?
